

District Directors Vote Is 3 to 2 For Government Loan

Following a lengthy explanation by Richard H. Wood, assistant administrator of the Rural Electrification Administration from Washington, D. C., the board of directors of the Truckee Public Utility District last week, by a vote of three to two, adopted a resolution paving the way for a \$367,000 loan from the REA to improve and expand the local electric system.

The action followed a previous tentative rejection of the resolution offered by REA several weeks ago. Wood's explanation of the ramifications of the resolution apparently satisfied the majority of the board with George Kaspian and James McIver voting against acceptance and Chairman Edward Aweeka, Nance Firpo and Paul Doyle favoring.

A legal opinion as to whether or not a three to two vote is sufficient to make the resolution valid is being awaited by the directors.

As explained by Wood, the district may draw from the \$367,000, paying 2 per cent interest only on the amount currently required, the balance being held by REA for a limited time subject to the wishes of the district. The borrowed amount would be repaid with quarterly interest payments over a period of 35 years.

Wood, who heads the electric department of the federal agency, was advised by Congressman Harold T. (Bizz) Johnson to come to Truckee to explain in detail how the REA operates.

In an interview with the Sierra Sun before the meeting, Wood explained that the loan would in no way effect a current move to incorporate the community, and that the city, providing one is formed, could assume the obligation. He also said that there was nothing in the contract to prevent the sale of the district at some future date, providing that was found desirable.

Wood indicated that the purpose of REA was to encourage the use of more power and that his agency acted only to assist communities, co-ops and others in developing this potential.

Six Are Injured In Local Car Mishaps

Six people were hospitalized with major injuries as a result of four motor vehicle accidents reported in this area during the weekend, the California Highway Patrol reported.

Max Bright, 29, tow truck driver for Thornton's Garage, suffered a broken arm, possible internal injuries and was taken to the Tahoe Forest Hospital at 1:30 a. m. Saturday after being struck while attempting to pull a car, which had been in a previous wreck back onto the Squaw Valley Road.

The driver of the vehicle which struck the tow truck and Bright, Michael B. Miller, 19, San Francisco, was cited for not having his vehicle under control.

Two men, Voldemar W. Zobins, 51, Oakland and his passenger, Peter Zozlich, also of Oakland, were hospitalized Friday at 1:30 (Continued on Page 8)

IMPROVEMENTS FOR AIRPORT ARE VOTED

Directors of the Truckee Tahoe Airport District Tuesday night decided to install tie-downs, install a fog seal on the runway and approved plans by Base Operator Howard Fisher for building a hangar and shop.

Fisher appeared before the board with his attorney, Frederick A. Cone of the firm of Belli, Ashe & Berry of San Francisco, to ask the board to consider rewriting the lease and clarify the wage subsidy agreement. No action was taken at the meeting.

NEW DISPATCHER AT TRUCKEE CHP OFFICE

Clifford Pooler, Jr., began work Tuesday with the local California Highway Patrol as a dispatcher, coming from Placerville. Pooler has had U. S. army service and is a graduate of Sacramento State College formerly was employed in the forestry service in the Placerville area, where his parents reside.

Antiques Will Be Displayed At Art Show This Week

TAHOE CITY—The Tahoe Heritage Foundation will present the Tahoe City Centennial Antique and Art Show for the benefit of the Tahoe community nursery at the Frontier Village, two blocks south of the bridge at Tahoe City Friday, Saturday and Sunday.

Antique dealers in both California and Nevada are cooperating and both professional and amateur artists will be showing their works for sale and display. Loren Holmwood, one of the outstanding portrait painters in the nation, will act as roving commentator for the show.

Art groups from Incline Village, South Tahoe, Tahoe City and Truckee will participate. An ancient auto from the Harrah collection and an authentic old stage coach will be among the attractions.

A wandering minstrel will serenade the spectators and the wide variety of attractions will appeal to all age groups.

Sarah Van Sickle Wagon Train Queen

Miss Sarah Van Sickle has been chosen queen of the Truckee Donner Horsemen's Association and will reign over the festivities incident to the third annual Wagon Train which is scheduled to leave Reno Friday morning on its way to Truckee.

Miss Van Sickle was chosen at a program held Sunday afternoon at the Martis Valley Stables. Judges were Ken Torree of Sierra Vista who judged the horsemanship of the four candidates, and Mrs. Jack Marquette and Ivan Tofft were judges of personal appearance and speaking ability.

The young ladies, on the basis of horsemanship, tickets sold, personal appearance and speaking ability, accumulated the following points, according to the judges: Miss Van Sickle, 72; Miss McCallen, 50.8; Miss Maynard, 27.2 and Miss Rodriguez, 23.7.

The queen was presented with her crown and the three attendants, Barbara McCallen, Dawn Maynard and Sally Rodriguez, were given bracelets. All four girls will be guests of the Horsemen during the wagon train trip.

A large turnout watched the proceedings Sunday and the E. Clampus Vitus bus provided music and the public address system. Frank Snyder was the master of ceremonies.

Mrs. Ray Wiser was chairman of the committee in holding the queen contest, a forerunner of the wagon train.

TINKER BELLES WILL VISIT TAHOE TAVERN

Instead of the usual field trip on the fourth Tuesday of each month, the Tinker Belles Garden Club chose to visit Tahoe Tavern on August 25th. Built in 1901, the historic tavern will be torn down this fall.

After lunch in the coffee shop, the twelve members present toured the hotel and grounds.

The next regular meeting of the club will be the second Tuesday in September at the home of Mrs. Walter Loynd.

FIRE BUILDER GETS \$100 FINE AT LAKE

TAHOE CITY—William W. Long, Squaw Valley, was fined \$100 when he appeared before Judge Robert Fugazi in the Tahoe Judicial District Court charged with burning trash without a permit. He was cited on August 15 by patrolmen of the U. S. Forest Service and contended that he was not aware of the rigid enforcement measures being taken to prevent major fires.

FIRE IS FOUGHT

Fire caused only minor damage, due to the fast and efficient work of the Truckee Volunteer Fire Department, at the former George Kenyon home near Hill Top Lodge Tuesday evening. The fire apparently was caused from a fireplace which overheated the wood below. The equipment from both the main fire station and the Gateway substation responded to the alarm.

Five Candidates In Race For Hospital Board Directors

Neither of the two incumbent directors of the Tahoe Forest Hospital District, whose terms are expiring, have filed for reelection at the polls on November 3. They are Ted D. Barrett of Kings Beach and James Sherritt of Soda Springs.

Nevertheless, there is no shortage of candidates to fill the vacancies. Five had filed before the deadline last Friday to have their names included on the ballots.

They are Dr. Gardner Pier of Squaw Valley, Sherman Reams, Truckee; Raymond E. Hintz, Truckee; William B. Vail, Soda Springs and Schuyler W. (Sky) Miles of Donner Lake.

Delos Bristol, hospital administrator, said that tentatively it is planned to hold the district election in conjunction with the general election, utilizing the same polling places, with the same election boards but with separate ballots and ballot boxes, to avoid any confusion.

September 10, next Thursday, is the final date on which residents may qualify by registering for the district as well as the general election.

Other members of the hospital board whose terms do not expire this year are Gordon Moyer, Tahoe City; Ivan Tofft, Donner Lake and Nance Firpo, Truckee.

Clampers Program Saturday, Sunday

Preparations are being made by members of Chief Truckee Chapter of E Clampus Vitus for the reception of 300 Clampers from all parts of the region at the jamboree to be held Saturday and Sunday, September 5 and 6 when some 50 candidates will be initiated into the order.

Several state and neighboring officials are expected including Dr. Al Schumate of San Francisco, past president of the California Historical Society and past sublime grand noble humbug of the E. Clampus Vitus. Charles Kitts, noble grand humbug of the Nevada City Chapter and Hillis Hubbard, past GNH of that chapter.

Registration will be held at Smarts and the Greyhound station Saturday and Sunday. A parade will be held in Truckee at noon on Sunday followed by a slippery gulch and clambake at Prosser Dam. Steaks, direct from Kansas City, salad, beans and beer will comprise the menu.

Gene Foster, NGH and Skip Guirle, NGR are making arrangements for the event.

YOUNG MAN PULLED OUT OF ICY WATER

KINGS BEACH—Peter Topel, 24, of Tahoe City was treated at the Tahoe Forest Hospital Friday evening for exposure after spending two hours in Lake Tahoe after his 19-foot boat overturned.

The coast guard was called by the young man's father to aid in the search but before it arrived a passing boat picked him up. He had been clinging to the overturned craft 200 yards off Kings Beach when aid arrived.

The young man was blue from the cold despite the fact he was wearing a skin diver's suit.

Naomi Rebekah Lodge No. 2 had as their official guest Marie Cannon of Colusa, warden of the Rebekah assembly, at their meeting held August 26, the visitor came in the place of Miss Ruth Bettinger, president of the assembly, who had recently undergone surgery.

A highlight of the affair was the special commendation of Mrs. Cannon to Lucille Bick of Truckee for her fifty-five years of service in the local chapter.

Fifty two distinguished grand officers and past presidents of the lodge were present from towns of Nevada and California who attended a dinner, with local members at Donner Summit Lodge prior to the meeting held in the I. O. O. F. hall here when Callie Kydd, noble grand, assisted by Dorothy Stice, grand, presided.

The setting was decorated in a theme of flowers, bluebirds and harmony under the supervision of the refreshment and decor committee of Julie Davis, Sadie Fields, Lona Boren.

Home Is Destroyed In North Tahoe Fire

CARNELIAN BAY—Fire Monday evening at 7:30 o'clock completely destroyed the large three-story summer home belonging to Bernard Barnsdach of Beverly Hills at Carnelian Bay. The loss was estimated by Fire Chief Joe Fulton of the North Tahoe Fire Protection District at upwards of \$30,000.

The home had been loaned to Irving Zeiger and other friends by the owner and they had started a barbecue on the porch, Fulton said. They were driven inside for a time by the weather and when they returned to the porch, according to reports, the ceiling and one wall were aflame.

Four pieces of equipment from the forestry, six from Kings Beach and two from Tahoe City responded to the alarm and battled the blaze until the early morning hours.

The entire house and three large pine trees nearby were destroyed but the fire was contained to the immediate area.

Utility Crew Stops Threatening Fire

What might have developed into a bad fire was stopped in its infancy yesterday afternoon by Francis Longo, manager of the Truckee Public Utility district, two of the district employees, Joe Britt and James Hensley and Dale Bainbridge. Longo's guest, when they discovered a blaze under a big pine tree near the Ponderosa Golf Course.

The men applied shovels of dirt to the spreading flames and managed to corner them before they got out of control.

The incident proves the forests are not immune from fire as a result of the rain earlier this week.

STUDENTS ASKED TO BRING INFORMATION

All Tahoe Truckee High School students are reminded that they should write down and bring with them the first day of school the following information:

1. Parents and/or legal guardians full names.
2. Residence and business telephone numbers.
3. Mailing address (Box number and post office).
4. Location of residence. House number (if from Lake Tahoe area), name of street, or location with regard to well-known landmarks.
5. Name and address of former school attended.
6. Place (city) of birth.
7. Date of birth.
8. Verification of polio immunization (for transferring students).

A complete series of either 3 shots or 3 sugar cubes must have been completed in order to be eligible to attend any public school in California.

Students who plan to attend Tahoe Truckee High School and are planning on living with persons other than parents or legal guardians must be accompanied by such person or persons at the time of enrollment.

Sanitary District Election Is Slated Here On Tuesday

Next Tuesday, voters in the Truckee Sanitary District will go to the polls to elect two directors from the list of eight candidates who have filed for the vacancies occurring.

Only one of the two incumbents, Paul H. Van Vliet, is a candidate for reelection, Robert W. Seibold not being in the contest.

The other candidates are Lloyd W. Cole, operator of King Cole Chale at Donner Lake; Alfred A. Hodder, land manager for Mrs. Patricia Lewis; Daniel J. Horman, owner of Donner Trading Post; Constance J. Kammerer, clerk and only woman on the ballot; Albert C. Pfandler, retired railroad officer; August V. Sassarini, electrician, and Ivan J. Tofft, operator of Donner Rancho Resort at Donner Lake.

The polls will be open from 7 a. m. to 7 p. m., with one consolidated polling place in the Truckee Justice Court in the new County Building. Only registered electors residing within the boundaries of the district may vote at the election.

Other members of the board, not up for election are James McIver, chairman; Raymond Hintz and Charles V. Osburn.

Boats Damaged In Freak Lake Storm

TAHOE CITY—Scores of smaller boats were damaged or sunk and at least one 18-foot cruiser was wrecked early Saturday when a freak east wind pushed a tidal wave into the west shore of Lake Tahoe. The wave hit at 2:30 a. m. and waves up to five feet in height were reported.

Herbert Obexer of Homewood pulled 30 damaged or sunken boats out of the lake at his Marina. The 18-foot boat belonging to William Praul was broken in two.

The coast guard reported high winds and unusually large waves, but said it was involved in only one rescue of a damaged boat. Many of the boats were saved by fast action of the owners.

Damage was heaviest in the Chambers Lodge area where Manager Ray Kettenhofen reported many expensive boats were thrown upon the beach by the wind and high waves. Some smaller boats were smashed to bits and a few places docks were destroyed, the report said.

SURPRISES FEATURE EMBLEM CLUB SHOW

Surprises were the order of the day last Thursday at the North Shore Club Hotel when the ladies of the North Tahoe Sierra Emblem Club No. 347 sponsored their annual games luncheon for the benefit of the Elks cerebral palsy fund.

MC Y. E. S. Becholdt introduced proxy Sophie Levra to the group who had gathered to enjoy the lunch and games and gifts so generously supplied by the business men and women of Brockway, Crystal Bay, Kings Beach, Tahoe City, Truckee and Incline Village.

Recipient of the big television set was Dolly Hillinger of Veren Villa while Bob Moist of Squaw Valley was given the afghan. There were scores of other gifts, the first surprise gift contributed by the Tahoe Nugget was shared by Mary Rieck of Tahoe City and Kay Felte of Brockway while the second surprise gift, also donated by the Tahoe Nugget, was given to Mrs. Harding McPhung of San Rafael. Winner of the Crystal Bay surprise was Mary Chase of the south shore while the last surprise, donated by the North Shore Club Hotel, was shared by Mrs. George Creamer of Incline Village and Mrs. John Paterson of Homewood.

LAKE LEVEL

TAHOE CITY—Precipitation was .10 of an inch from the Monday rain storm at Tahoe City, according to Daryl De Walt. Lake Tahoe level on Tuesday was 6,225 feet, the outflow being 275 cubic feet per second.

Monday's low temperature was 28 degrees, the high for the week was 75 degrees last Thursday.

New Building For Phone Company Being Built Here

Construction of a \$54,000 building addition at the telephone company's local main equipment office has begun, Pacific Telephone Manager J. C. Domergue announced today.

The modern, one-story structure will house telephone dial switching equipment to provide for what Domergue called "the future needs and orderly growth of the Truckee exchange."

Domergue said the addition will be of wood frame construction with asbestos siding, have a composition roof and concrete floor. Its 900 square feet of floor space has been designed to hold some \$30,000 worth of dial switching equipment. The addition itself will cost \$24,000 to build and should be completed by mid-November, he said.

The builder is Glen C. Williams of Reno.

DeMolay Will Seat Officers Saturday

The public is invited to attend the installation of the Tahoe-Truckee DeMolay Chapter on Saturday, Sept. 5 at 8 p. m. in the Masonic Hall, Truckee.

Mike Sauby, master counselor elect, and his corps of officers, will be installed by the Junior Past Master Counselor Harry McIntire and his installing team composed of Gene McGilhon, PMC; J. C. Robertson, PMC, and Phil VanVliet, PMC.

The robing ceremony will be performed by Hope Assembly No. 18, Order of Rainbow.

Refreshments will be served by the DeMolay Mothers' Club following the installation.

Water Meet Will Be Held In Tahoe City

TAHOE CITY—The Placer County Water Agency has scheduled a public meeting on a bureau of reclamation study of ways to develop a supplemental water supply for the Lake Tahoe Basin here on September 17.

Chairman Frank J. Paoli said the agency feels it desirable to have a public meeting because of the importance of water matters in the lake area. The federal study was financed jointly by the counties of Placer and El Dorado and the bureau.

Paoli said the study briefly presents five possible alternative ways for the importation of water from the upper American River Basin to the Lake Tahoe Basin as well as describing other possible plans to develop water for the lake basin. The meeting is scheduled to begin at 10 a. m. in the Tahoe City Community Center.

SPORTS CAR RACES SLATED FOR VALLEY

SQUAW VALLEY—The fourth annual Sports Car Olympics to be presented September 5-6-7 at the site of the Winter Olympics will include a variety of events for all imported and sports car enthusiasts. Tops in spectator events will be the two autocrosses included in the schedule of eight activities held for point accumulation as well as awards for individual classes.

An autocross is a test of driver ability, with ten classes, based on the power and previous performance of the car. The Lockheed Sports Car Club of Sunnyvale, and the Continentals Sports Car Club of San Jose are giving the participants a chance to try their skill on a high-speed, and on an equalizer course respectively.

LOCAL TRUCKMAN IS BURIED IN NEVADA

Funeral services were held at Reno at 11 a. m. Tuesday for Richard L. Murphy, 49, who expired here from an apparent heart attack Saturday. He was a truck driver and member of Teamsters Union Local No. 533 of Reno.

He was a native of Texas, born March 14, 1915, and is survived by his wife, Edna Murphy of Donner Lake Lodge.

Burial was in the Mountain View cemetery at Reno.

Wagon Train Will Start Friday; Big Program Sunday

Covered wagons, horsemen and riders were assembling at the fair grounds in Reno today for the annual trek of the Truckee Donner Horsemen's Association which will get underway at 9 a. m. Friday on the trip to Donner Memorial State Park.

Highlights of the trip, which is expected to attract more than 100 people, will be the open house and outdoor breakfast at Woodchopper Springs Sunday. The Truckee Lions Club is sponsoring the breakfast between 8 and 11 a. m. with Roy Waters, Dick Paddock, Zeph Rose, Sherm Reams, Bob Seibold, Bob Moore and Charlie Fink officiating as cooks. Andy Creglow is chairman of the committee.

Following the Sunday morning breakfast of ham and bacon and eggs and flapjacks and coffee, the day will be devoted to horse racing, games and contests, archery and entertainment, with Walter Hawtorn, an Arizona Indian as master of ceremonies.

During the afternoon, members of the Tahoe Truckee DeMolay Chapter and Hope Assembly, Order of the Rainbow, will serve hot dogs and refreshments.

James McIver, who with the aid of Bob Denney and Frank Snyder, will officiate as wagon master, has been busy repairing wagons in preparation for the trip. Immediately following the trip, the Horsemen plan to purchase two covered wagons in order to have them on hand for next year's trip and for other events during the year.

Lloyd Van Sickle, one of the most active members of the Horsemen, will also act as one of the guides and assist the wagonmaster on the trip.

The wagon train, after the parade through Reno Friday morning, will proceed to near Verdi for the first night's camp, continuing on to Woodchopper Springs Saturday where the open house will be held Sunday.

On Monday morning, the train will continue on to Donner Monument where after a brief memorial service, it will disband for the year.

Fire Danger Still Accute In Region

Those frequenting the forests should not be lulled into a false sense of security by the recent rain showers as the fire dangers are far from over, according to the U. S. Forest Service.

Although the .06 of an inch of precipitation lessened the dangers temporarily, the floor of the forest remained dry and warm weather will quickly result in high fire hazard, according to George Steed, district ranger.

The "unusual" weather arrived Monday with chilly winds and rain. Snow fell on the higher levels, including Donner Summit, but soon melted.

The temperature Tuesday dropped below the freezing mark for the first time this season, but warmer weather is in prospect.

THREE BABIES BORN IN LOCAL HOSPITAL

Three babies arrived at Tahoe Forest Hospital the last two days of August for their respective parents. Two girls were born on the 30th, Maria Elena is the daughter of Mr. and Mrs. Joseph Garcia of Truckee. Her weight at first was 6 pounds, 4 ounces.

Mr. and Mrs. Vernon Johnson of Truckee named their child Susan Juanita after her arrival August 30 when she tipped the scales at 7 pounds, 6 1/2 ounces.

August 31 is the birth date of Eric Ernest Clause, son of Mr. and Mrs. Ernest Clause, local residents. Eric's weight was noted as being two ounces less than six pounds. The new father is a teacher of English in the high school.

ARMSTRONGS FETED IN NEW HEIGHTS HOME

Mr. and Mrs. Cy Armstrong were given a real surprise Friday night when a group of friends dropped in for a house warming at their new home in Olympic Heights. That it was a complete surprise was evidenced by the fact the Armstrongs were preparing to retire when the guests arrived.

The evening was enjoyed by Mr. and Mrs. Gene Schultz, Mr. and Mrs. Earl Smith, Mr. and Mrs. Richard Ciandro, Mr. and Mrs. Samuel Uriu, Mr. and Mrs. James Marriott, Jack Bergman and Lucille Hair.

MARY ZUNINO BREAKS ARM

Mary Zunino of Mary's Beauty Shop returned from the hospital Tuesday where she was taken last Friday after she fell sustaining severe injury to her left arm with several broken bones. Her many friends in the Truckee, Lake Tahoe area are hopeful for her early recovery.

The Washoe Unit of the American Cancer Society may well be proud of their Marjorie de Costa and the marvelous commentating she did for their benefit show at that Mardi Gras Room at the Golden in Reno on Wednesday. Marjorie was attired in an ankle length golden beaded gown and with her silver hair she made a striking appearance. Mrs. James Daley and Mrs. William Edwards were chairman of the affair which filled the Mardi Gras Room. Present from

The North Shore were Pearl Kientz, Pearl Draney and Bethel Van Tassel. Mae Smith, former Incline Village resident was also among those present.

Neighbors, Jerry and June Richards of Sausalito spent a week at their Tahoe Vista cabin. We think their week at Tahoe is the most expensive vacation about which we know. Their rustic cottage is equipped with a good cook stove that also provides the heating facilities, they either take their bucket to the lake for water or to our faucet if they want running water, so of course, no plumbing, no electricity — Coleman lamps and old-fashioned lanterns, but everyone loves it and the beautiful sandy beach just outside their door. However, the reason it is the most expensive week's vacation we know, this costs them over \$2,000 — in taxes.

Nancy Stauffelbach and Carol Dotson of Martinez visited friends in Tahoe Vista this past week. Linda Brooks who has worked at Tahoe Vista this summer and is a Martinez resident, is planning on accepting a stewardess position with United Air Lines come next month.

Bob and Melba Forrest, Palm Springs winter residents, visited

friends on the North Shore Friday. Bob is working this summer for Harrah's on the South Shore. He is mighty proud of the article written about him and his occupation — he is 84 and works every day. No one would ever dream he was a day over 60. Melba is much missed this year on the North Shore having for several years been with the Riviera Resort Clothes shop in Kings Beach.

Henry and Elsie Honda and children, Henry Jr., Janice and Ronnie of San Jose visited George and Iris Alario at Tahoe Vista this past week.

Also visiting the Alario's was son, Bud, and sons, Chris, Jeff, Greg and Timmy. Bud's wife, Carol, remained at home in San Jose with three weeks old baby son, Mark.

Wendy Farris has moved from Los Angeles to be with parents, Jack and Velda Farris, at Incline Village. Jack and Velda are moved into their new home and enjoying it immensely.

Craig and Shirley Robinson of Truckee are entertaining his father and wife, L. J. and Maxine Robinson of Lompoc this past week.

Happy birthday to Albertina French Nimetz of Alameda who

was ninety years old on August 25. Mrs. Nimetz' niece Mary and her husband Carl Dyer are Kings Beach residents.

Jacquie and Ed Black of Incline Beach spent a week's vacation in Colorado where they visited the University of Colorado and toured the old mining towns. Crutches and a cast were no handicap to Ed who had a marvelous vacation in spite of them.

Happy birthday to Barbara Bergman and Beverly Newell who celebrated twin birthdays on August 25.

Ralph and Janet Yopp of Kings Beach celebrate their wedding anniversary on September 11th. Where? At the North Shore Club, of course, with Janet's parents, J. C. and Inez Jordan. This is also the date of the Fireman's Ball to be held at the North Shore Club and everyone should attend this benefit affair and have fun along with the Yopps and Jordans.

Emmajean Hume of Incline Beach is progressing very nicely after a recent operation on her ankle. Hurry home! But get well first.

Back to the Bob Jones University of Greenville, South Carolina, for Barbara Coe of Tipton, Indiana. Barbara worked at Tahoe Vista this past summer. She will visit her aunt and uncle, Mr. and Mrs. Leighton Grainger at Nickels, South Carolina, before starting school.

It was a regular family reunion at the Tahoe Vista home of Frank and Margaret Austin this past week. Guests were Frank's mother, Betty Paul of Los Angeles; Margaret's aunt and her husband, Mr. and Mrs. William Weigand of Hemet; Margaret's sister, Mrs. Charlene Kracher and children, Sandy, Jon and Jerry of Sacramento, and aunt, Miss Mabel Miller.

Our appreciation to Yvonne and Sophie for a lovely luncheon and afternoon at the Lake Tahoe Sierra Emblem Club No. 347 Third Annual Cerebral Palsy Luncheon at the North Shore Club on Thursday. A special courtesy this organization extends to the press — double thanks.

Among those enjoying the luncheon were Jerry Rayburn, Florence Murphy, Louise Walter, Pearl Kientz, Inez Jordan, Bethel Van Tassel, Grace Hume, Ruth Creamer, Sally Vance, Velda Farris, Alysmae Schultz, Gwen Wood. (Suggestion: a guest register.)

President Sophie Levra welcomed the guests and Yvonne Bechdolt was the mistress of ceremonies. A TV was donated by H.

E. McCoskey, Art Wood and Ray Plunkett.

Jimmy Hume, Harold Murphy and J. C. Jordan donated a surprise gift.

Assisting Sophie were Toni Rohde, ways and means, Yvonne, emcee, Maranel Thomas, Leonora Ferrari, Sally Vance, Velda Farris, Linda Austin, Gwen Hill, Macie Henke, Jerry Rayburn, Alysmae Schultz and Florence Brown.

Tom and Theresa Sutton of Walnut Creek, former Kings Beach residents, visited Theresa's sister and her husband, Jerry and Johnny Rayburn at Incline Beach last week. Had a nice card from them recently but missed seeing them. The card shows the Chandelier at Jack London Square in Oakland where both are kept busy and liking it. Happy with the climate in

DONNER DOINGS

By VI WHITE
Phone 587-3866

Wow! And then the wind came bringing rough water to the lakes. Several boats sank at Tahoe, but as far as I know only one submerged at Donner.

That was snow that filtered down in the 30's, burr.

The rainbow are still biting and maybe with this cold weather the Kokonee might start again.

Many vacationers are bidding good bye to summer but looks like it's already gone! Oh well, we know the sun will come out again and we'll have a delightful Indian summer up here. September is usually such a nice month.

Members of the Donner Lake Property Owners' Association will meet at 1:30 p.m. Sunday at their beach. Having served two terms as president, William von Tagen will turn the meeting over to the new officers, with Bill Lewis presiding.

The grass at Donner Lake Lodge was completely taken over by snow skiers from the Bay Area Ski Council a couple of weekends ago. The Volley Ball game was won by the lucky Viking Ski Club of San Francisco for the third year in a row.

Water skiing was enjoyed by most as they took rides behind the members boats. It was apparent that the group were snow skiers as some still hobbled around with leg casts from last seasons breaks, but managed to enter in most of the activities... with the aid of plastic bags, crutches, etc.

Their progressive dinner was interesting and fun going to the six ski lodges on the summit.

Snow skiers are already looking forward to a good season and have two things scheduled for November 7th. The 7th Annual Ski Swap sponsored by the Alpineer's at the Hall of Flowers and the Sno Queen Ball at Del Webb's Town House, both in San Francisco.

Being startled by the blasting once in a while? It's the S. P. crew clearing the slopes near the tracks above the lake. In one spot, the old wooden snow sheds have been torn down and are being replaced with fireproof ones of concrete. Hope they leave some slits on the lake side so that the passengers can view our lovely mountain lake.

A cocktail and buffet supper was held in honor of the Anthony St. Claires at the lake front home of Mable and Les Hadley, August 22. Claudia and Tony are moving to Fort Meyers, Florida this month.

Those who attended the affair were: Joan and Bud Affeldt, Muriel and Ray Wiser, Georgiana and Ben King, Marilyn and Jack Marquette, Mrs. Neel, Betty and Roy Teal, Ruth and Daven Morey, Rex Reid (Bess was nursing a cold and was unable to attend), Vi and Carson White, Edith and Gene Welch, Marcella and Joe Corro.

The group presented the St. Claires with a beautiful glass plate decorated with California poppies.

Drove up to Webber Lake for the first time last week. Talked with managers, Aileen and Bob Wise, who live there during the summer months.

Located on the old Henness Pass Road, it's worth while to see the

TRUCKEE PUBLIC UTILITY DISTRICT NOTICE TO BIDDERS

Sealed bids will be received at the office of the Truckee Public Utility District, Commercial Row, Truckee, California, until 7:30 o'clock P. M. September 22nd, 1964 at which time they will be publicly opened and read in the Directors assembly room of said office for the installation of an 8" steel water main in accordance

(LEGAL NOTICE)

SPECIFICATIONS FOR INSTALLATION OF AN 8" PIPE LINE I SITE OF WORK

Starting at a point of intersection of Spring Street and Main Street where 10" pipe line meets the 4" Standard in an Easterly direction to the point of intersection of Bridge Street and Church Street, as shown in red on drawings.

II SCOPE OF WORK

The work is for complete installation of an 8" pipe line on the South Side of the existing 4" and 6" pipe lines in the alley.

All service attachments to new pipe line shall be installed by Truckee P. U. D. personnel.

The work to be supplied by Contractors:

1. Excavation and installation of an 8" pipe line 900 ft., 4" line approx. 50 ft. and 4 tees with 6" valves at each tee.

2. Welding joints and tees to fire hydrant, laterals.

3. Connection of 8" pipe line to existing 10" valve.

4. Connection of 8" pipe line to existing 4" pipe at Bridge Street.

5. Pumping in water that may be found in trench.

6. Keep roadways clear.

7. Re-connection of existing fire hydrants.

8. Water tests.

III The following material shall be supplied by Truckee P. U. D.

1. 8" steel pipe of 10 gauge, 4" steel pipe—(12 ga.)

2. Flexible couplings, welded tees, and elbows

3. Valves

4. All fittings

Material Supplied by Contractor:

1. Welding rods—Select fill material—where needed

2. All tools and equipment necessary to complete excavation, installation, backfill, pumping.

IV EXCAVATION

The contractor shall do all excavation for all pipe lines as required for the installation of the lines to the grades as shown on the drawings or herein specified.

Depth of trench shall be as required to give 36 inches minimum cover over the top of the pipe, to the finished grade. All excavation is to be done by hand, except road surface which may be broken by power equipment.

The trench bottom shall be cut accurately to grade so as to provide firm bearing for the pipe with a minimum footing of 4" of sand or rock free dirt beneath pipe or the Contractor may cut the trench below grade as hereinafter specified for rock excavation and the trench backfilled to grade with sand.

The rock excavation, the trench shall be cut below grade a distance

(LEGAL NOTICE)

equal to 1/4 the diameter of the pipe, but in no case less than 8 inches, and the trench backfilled to grade with sand.

The contractor shall furnish and install all lagging and bracing necessary to prevent caving of the trench sides. The Contractor shall remove any water that may be found or accumulates in the trenches, and shall do all work required to keep them clear of water while pipe is being installed and until final tests are completed, as hereinafter specified.

All excavated material shall be piled in a manner that will not endanger the work and will avoid obstructing roadways. Open trenches and piles of dirt will be so marked and lighted as to provide safety to all persons and to vehicular traffic. The Contractor is to provide pedestrian access to rear of buildings.

V INSTALLATION OF PIPE LINES

All pipe lines and appurtenances shall be installed in the positions and to the lines, elevations, and grades shown on the plans and as specified herein with 4" of sand under pipe and 8" sand over pipe. The trench shall be on even grades so that the full length of pipe will rest on the trench bottom.

All fittings necessary for the satisfactory alignment and arrangement of piping and all necessary couplings shall be furnished by Truckee P. U. D.

Trench shall be cut to grade so as to provide continuous support for the pipe. Bell holes shall be dug as necessary for valves and fittings.

Ends of all pipe shall be closed or plugged at the end of each day's work and otherwise as necessary to prevent the entrance of foreign materials.

Welding shall be done by qualified welders in a first class and workman-like manner, conforming to the American Standard Code for Pressure Piping ASA B31-1-1942, Section 6, Chapter 4 and Appendix, Part 1 and Part 2.

Butt welds on fittings shall be of the single "V" type, with ends of pipe and fittings beveled approximately 37 1/2°. Piping shall be carefully lined up before welding is started and the alignment maintained during welding.

Welds for flanges and socket fittings shall be of the fillet type with a throat dimension not less than the pipe wall thickness.

Fittings shall be provided at all bends or deflections in excess of 5 degrees. Welding shall be by electric arc method by qualified experienced welders in conformance with welding specifications of the American Welding Society.

Flanged joints shall be made up square, with even pressure on the gaskets and shall be water tight.

VI REPAIR OF DAMAGED COATING AND/OR WRAPPING

Any damage to pipe coating or wrapping shall be repaired before placing any backfill. The Contractor shall keep a pot of hot asphalt or emulsified asphalt and a supply of asbestos pipe wrapping on hand to repair damaged wrapping before pipe is laid in bottom of trench. Asphalt and wrapping shall be comparable to that of pipe. Care shall

(LEGAL NOTICE)

be taken that asphalt used in repairs is compatible with the original pipe coating.

VII VALVE INSTALLATION

Buried valves shall be of the flanged end type with operating nut as herein specified. Valves shall be set plumb and properly fitted to the adjacent sections of main. All buried valves shall be provided with valve extension boxes as specified. Top of valve boxes shall be set two (2) inches above the adjacent grade and the ground sloped up to the valve box unless the box is located in a paved road. In paved roads, the top of the valve box shall be set level with the adjacent roadway.

VIII BACKFILL

All pipes shall be laid accurately to grade and elevations as given.

After pipe line is placed in trench and tested and is ready for backfill, it shall be backfilled with sand, fine earth, or other materials free from rock and large lumps to eight (8) inches above the top of the pipe. The remainder of backfill shall be tamped in layers of eight (8) inches or by jetting. No backfill shall be by power equipment until the pipe is hand covered at least eight (8) inches above the top of the pipe. Sufficient time is to be given to Truckee P. U. D. personnel by Contractor before backfill so that the conversion of water service attachments from existing pipe line to new pipe line is completed. No claim for compensation by Contractor will be accepted for the delay in the backfill.

Existing underground services are shown as accurately as available data permits. This data is approximate as to location and does not necessarily show all lines which may be encountered in excavation and shall be responsible to repair or replace all such facilities damaged due to work of this project. THE CONTRACTOR SHALL BARE ALL EXISTING WATER, GAS AND SEWER LINES BY HAND.

IX WATER TESTS

After laying of pipe and before backfill, the Contractor shall test the piping as herein specified. The Contractor shall furnish all material, equipment, and labor for testing the system as follows: UNDER PRESSURE OF 125 lbs FOR 12 HOURS.

The test shall be made by closing valves and filling the pipe lines with water, provision having been made for the release of air from the lines to be tested.

Any leaks that are found shall be immediately corrected and the system again subjected to the same test for a period of 24 hours.

The Contractor shall inform the District at least two days in advance of the time set for testing the piping system.

The Contractor shall take all necessary precautions to prevent any joints from drawing while the pipe lines and their appurtenances are being tested and he shall, at his own expense, repair any damage to the pipes and their appurtenances, or to any other structures, resulting from or caused by these tests.

X DISINFECTING

After all other work has been

(LEGAL NOTICE)

completed, and prior to placing in service, water lines shall be thoroughly flushed and completely disinfected in accordance with American Water Works Association procedures as contained in A. W. W. A. C 601-54 "Standard Procedure for Disinfecting Water Mains."

XI EXISTING FACILITIES

The Contractor shall be responsible to verify the location of existing facilities. Damages to any existing water mains, services, telephone lines, gas lines, sewer lines, fence, building or other structures shall be the responsibility of the Contractor repaired at his own expense and to the satisfaction of the Truckee P. U. D. The Contractor shall after completion of the job restore the pavement where it was broken up for installation of new 8", 4" pipes and the laterals. This work has to be done to the satisfaction of the District.

Contractor shall co-operate with Truckee P. U. D. personnel which will be on call for assistance in re-aligning any water or sewer lines that may interfere with the installation of the new pipe line.

XII CLEANUP

At the completion of the work herein contemplated and after acceptance of the installation, the Contractor shall remove from the premises any surplus material or debris resulting from his work. This surplus material may be deposited at the Truckee Public Utility Substation site.

The District reserves the right to reject any and all bids.

Dated: Aug. 26, 1964.

With perfect weather guests also enjoyed the outdoor patio of the McCourrys. Several guests wore the new long gown but none more effectively or more glamorously than the hostess. Marlene's gown was a beautiful orange and gold print worn with gold shoes. She was a picture that husband Jim, with his color polaroid camera captured for the album.

The Dog Dinner given by the Reno Junior Chamber of Commerce was more widely publicized than hoped. Phone calls from as far away as North Carolina protested the eating of dog. In checking with Fred Schultz who confesses to being present, we are advised that the dinner was a great success and another case of not misspelling but omission of the word "hot". The press was hot, the phones were hot and so were the hot dogs. "Fool me once, shame on you, Fool me twice, shame on me. Fool me thrice, I'm a fool indeed!" — think anyone can try this Dog Dinner Deal again?

In the mail today, a copy of the Valley Pioneer of Danville with Virgie Jones' "I Cover Alamo". However it should have been entitled for this particular week "I Cover Lake Tahoe".

Al and Virgie are long time Alamo friends and we mentioned brunch with them this past week here at Tahoe Vista. Not having seen them in six years we had a lot of talking to do and when two newspaperwomen get together—

We mention this visit again to let you know the publicity received for this area from Virgie. Having covered the South Shore, Virginia City, the Jones came North where Al played the Incline Village Golf Course, toured Incline, met Robert E. Lee and wife Mary and their son, Corkey.

The Jones saw the Vive Les Girls in the Topaz Room of the Nevada Lodge where they met Alamoites, Bill and Lucille Stadler who were celebrating their 25th anniversary. At the North Shore were the John Osmundsens, Clyde Polsons, Bill Anderson, Dick Mundts, Bob Mete, Jim Howell, Bob

Hart, Howard and Doris Wiedemann, San Ramon, Jule Lien, Concord, the Manuel Giffins of Diablo, Ronnie and Bob Pastorino of Britany Inn fame, and the Jones.

The Village Inn Bridge Club has been organized by Mrs. John (Mary) Adams of Incline Village and will meet every Tuesday, 1:30 p.m. The club will play duplicate bridge and will be sanctioned by the American Contract Bridge League, a national organization. Three National Conventions a year are held by the national organization and the local club will be authorized to issue master points to each week's winners.

Pasteurized process cheese is made by melting one or more natural cheeses of the same variety or two or more varieties, then pasteurizing and blending them with an emulsifying agent. Heating stops the ripening so the flavor and texture of process cheese are always uniform.

Last week's winners were Phyllis Crudington of Reno and Betty Smith of Reno, first; Evelyn T. Falk and N. L. Burrows, Reno, second; and Mr. and Mrs. Harry Glover of La Habra, third.

Players were Helen Wilson of Stateline, E. L. Von Langen, Stateline, Anna Lengel, Zephyr Cove, E. E. Wickson, Al Tahoe, Mr. and Mrs. Harry Glover, La Habra, Phyllis Crudington, Betty Smith, Evelyn T. Falk, N. L. Burrough, Helen Wiecking, Lora McBean, Renoites, Lenora Robinette, Incline Village, Rozelle Cole, Menlo Park, Marian Merksamer, Rubicon and Mary Adams, Incline Village.

Bridge players interested in joining this new club may phone Mary or the Village Inn or attend luncheon and be ready to play at 1:30 p.m. each Tuesday.

As we go to press, Monday, Squaw Valley advises that three inches of new snow fell on Squaw Peak Sunday night. An early storm or an early winter? We can remember camping at Homewood as a child in the middle of August and having four inches of snow fall on us. Fortunately, Grandpa and Grandma Williamson took us in and warmed us up before we packed and went to Reno. The Williamses were Norma Obexer's parents.

**ASSESSMENT IN THIS
COUNTY AT 20.8 PER
OF MARKET VALUES**

SACRAMENTO — (CNS) — The state board of equalization reported assessors in California's 58 counties have cut a potential \$1.4 billion in assessed valuation of property off the tax rolls by evaluating property at a lower level.

The board said the ratio between value put on property for tax purposes and actual market value averaged 22.1 per cent. This was down a full percentage point from the ratio last year of 23.1 per cent of market value.

Nevada county, which the board said assessed its property for tax purposes at 20.8 per cent of the market value, ranked 38th from the top in the level of assessment. Yuba county was at the top of the list, assessing its property at 25.9 per cent of market value, while Butte and Lake county were at the bottom, valuing their property at only 18.2 per cent of market value.

However, under board policy, the assessment rolls of all the counties were approved. The board has authority to require counties assessing at too low a level to raise all assessments to near the statewide average.

Divot Diggers

By Georgiana King
(Ponderosa Country Club)

Hi, Divot Diggers, don't let this
weather scare you, we have a lot
of golfing to do yet.

There were quite a few golfers
from the Ponderosa who played at
the Bechtolt Tahoe City Invita-
tional last Thursday, Friday, Sat-
urday and Sunday.

The boys and girls played Thurs-
day and Friday with a total of 36
holes. In the boys' division, the
trophies went to John Besio with
a low gross of 151 and to John Ob-
ermeyer with a low net of 121.

In the girls division, the low
gross was won by Sheryl Bechtolt
with 225 and Mindy Bechtolt with
a low net of 160.

In the men's division, with 18
holes played, Sam Levitt had a low
gross of 66 and Martin Spitsen had
a low net of 59.

In the women's division, Renee
Topel had a low gross of 79 and
there was a tie between Mrs.
George Lewis and Betty Layton for
a low net.

The hole in one contest played
on the 9th hole was won by Elden
Tonini with Lino Piagotti second.
The trophies were awarded at
the barbecue in the evening on
Sunday.

I must mention that Majel Rose
came in third with a low net of
66 in the women's division.

If you girls want to play Sept.
11 at the Ponderosa with the Hid-
den Valley and Washoe women,
please contact me immediately.

OUR BIG ATLAS

TO REPAIR SLIDE
SACRAMENTO — (CNS) — The state highway commission today allocated \$26,000 for to reconstruct a slide area on U. S. 40 (Interstate 80) approximately 3.8 miles east of Baxter.

Grows to Fresno—Local friends of Mr. and Mrs. Leslie Grow regret their departure for the Fresno vicinity where they have established their home. Grow was employed by the Sierra Sun for 11 years.

MORE NIGHT CLASSES AT SIERRA COLLEGE

Administrators at Sierra College indicated today that more night classes will be offered this semester to handle the more than 1600 enrollment expected in day students.

While some day class sizes will be increased, most class sizes are limited by practical matters such as number of seats, type of class and teacher-student ratio. Vice President Marion Akers indicated the college staff would be used to offer more night courses.

Adults will get the first chance at the regular evening program class offerings, since they will pre-register Aug. 26 at Rocklin and Aug. 27 at Nevada Union High School in Grass Valley. Regular enrollment for the evening courses will continue at the college Sept.

DIVIDEND
SAN FRANCISCO—The Board of Directors of Fibreboard Paper Products Corporation today declared a regular quarterly dividend on the common stock of the corporation, in the amount of 30¢ per share, payable September 30, 1964, to stockholders of record September 8, 1964.

Nevada Licenses—Nevada marriage licenses were issued to John Walker, 26 of Reno and Doreen Jones, 24 of Incline Village, Nev.; Allie Creel, 28 and Kathleen Watts, 26 both of Home-wood, Calif.; Ernest E. Smith, 49 of Tahoe City and Annette Hall, 46 of Tahoe Valley.

1, 2 and 3. Evening enrollment hours are from 6:30 to 9:30 p. m. Forty-five evening courses are already planned, with perhaps another six to 10 to be added.

Swiss Wrestling September 19th

The 11th Stoops Schwingfest is going to be held at the Village Hofbrau in Squaw Valley, Saturday, September 19. Preparations are under way for a terrific "Festscht."

Arnold Inderbitzen, with the help of the Sierra Swiss Club, is trying to make this an unforgettable aelplaescht. The top "schwingers," Schuhmacher, Schallenger, Ambuehl, Kieser, are all trying to wrestle for the first rigikranz.

The 158 pound "umspunnenstein," is ready for the steinstossers. Peter Tobler and Pauli Imhof will entertain during the intermissions with Alphorn blowing and Martin Betschart and Gerald Burch with flag throwing. For the evening dance will be Vogel-Gander orchestra.

Special attention for all the hunters: The 19th of September is also the opening day of deersaison. The Swiss girls in Squaw Valley promise to cook the deer liver for the lucky hunters.

The founder of the stoops schwingfest, Arnold Inderbitzen, is leaving shortly for Switzerland, so the Sierra Club and all the schwingers alike, will help him celebrate his farewell party at the evening dance.

THREE SHOWS WILL BE STAGED MONDAY AT NEVADA LODGE

CRYSTAL BAY—Three performances Monday evening of the lavish, Paris-created Vive Les Girls revue are now scheduled in the Topaz Room of the Nevada Lodge, North Lake Tahoe's largest year-round resort hotel casino.

The three Labor Day night performances are in addition to the revue's regularly scheduled showtimes Saturday and Sunday night. It's a departure from the usual Monday night blackout. Instead the cast will take a Tuesday "restup."

Master-minded by impresario Frederic Apar, the smashing Vive Les Girls revue presents exciting performers and a stunning line-up of the fair sex. Apar has woven music, dancing and comedy into an artistic presentation of unequalled proportions.

Also appearing on the stage of the Topaz Room at the Nevada Lodge are Deedy and Bill, one of the more popular Reno-Tahoe hit duos. Deedy is zany. Bill is frustrated. Combined they make a fast-paced showbill that has never failed to entertain.

ACCIDENTS

(Continued from Page 1)

p. m. when their car got out of control near Tahoe Pines on State Route 89 and went off the road and struck a utility pole. The driver, the patrol said, apparently fell asleep and was cited for not having his car under control.

Harold D. L. Turner, 45, and his wife, Mildred, 40, were both hospitalized with major injuries after the car he was driving got out of control just above the observation point bridge on Donner Grade, tore out four posts and two sections of guard rail and then swerved into the bank on the opposite side of the highway. He was cited for speeding and not having his car under control.

Paul E. Lorms, alias Paul E. Newman, 25, Hayward, was taken to the hospital with major injuries Saturday at 11:30 a. m. after he lost control of his car just east of Boca and plunged 150 feet down the embankment.

No citation was issued as officers continued their investigation.

LICENSES

Reno marriage licenses were issued to Richard Austin, 32 and Anita Finder, 21, both of Tahoe City. Gregory Ellisen, 26 Kings Beach and Margaret Wallace, 25 Reno, Nevada.

CARD OF THANKS

The ladies of the Catholic Assumption Guild wish to express their thanks to Johnny Ciardella and Milla Johnson and to all others who contributed help and assistance during their recent rummage sale.

DAMAGES MOUNT AS RESULT OF MISHAP

The amount of damages sought by passengers from the Greyhound Corporation for an Interstate 80 crash last November five miles east of Truckee has mounted to \$1,187,000 with the filing of a suit by Fred and Blanche Summers.

The couple claims damages for injuries suffered when the bus

carrying 38 passengers to Reno skidded on the wet pavement and overturned, killing ten of the passengers.

Nine lawsuits have been filed thus far. In each the Greyhound and the bus driver, John Graftunk, Jr., of Sacramento, are named as defendants.
